## Letter of Recommendation

To whom it may concern,

The professional team of Gal-IV Ltd. is our partner at maintenance of our steel, pipe and transport equipment. This is a company which observes the assumed engagements up to the emergency tasks in due time.

Our impression of Gal-IV Ltd. Is that they are a correct partner and the highest professional work of the company employers is a precondition of a successful cooperation.

We warmly require the mentioned company to their future clients.

Eng. Filip Ivanov.....

  
  
Manager of production and  
technological department
